JULIUS ROEHRS Co
RUTHERFORD NEW JERSEY

FALL 1930
SPRING 1931

BUSINESS TERMS FOR NURSERY STOCK

Prices—All prices in this catalog are quoted at the each price and ten price. The each price is for plants (if the total purchase is \$50.00 or more) delivered, planted and guaranteed for one season; provided, however, that the planting areas have been prepared and our only work will be the actual planting.

The ten price is for plants delivered within twenty miles of our nursery; for example Azalea amoena (page 2) is \$1.20 each and \$10.00 per ten; the price of this plant delivered would be \$1.00. Where large quantities of a variety are required it is sometimes possible to quote special prices. Stock specially selected by customers in the nursery will be charged according to its value, irrespective of catalog prices.

Warranty—We warrant our stock to be true to variety named, and will replace any that may prove otherwise or refund the original price, but beyond that, we assume no responsibility. We also guarantee all our plants, except collected plants, to live one season, provided the same are given ordinary care. It stands to reason, plants being perishable, that if they are not given proper attention, they will not live.

Packing and Delivery—Most of our stock is delivered by our own trucks, and all prices, except where noted otherwise, include free delivery within a radius of twenty miles of our nursery. If beyond this area the stock will be shipped either express, freight or truck, and the cost borne by the purchaser.

Claims—Any complaint or loss for spring purchases must be made (registered mail) by June 1st, and for fall purchases by November 1st. Replacements would naturally have to wait for the proper season, and as a general rule, spring replacements would be made the following fall, and fall replacements the following spring.

Terms—Cash or satisfactory references must accompany all orders from purchasers unknown to us. Where credit has been allowed, bills are payable 30 days from date of shipment. No claims for replacement will be considered if an account is not paid when due.

Telephones: Rutherford 2-0090 and 2-0091
Longacre 1408

The prices quoted cancel all previous offers.
